Re: *The United Effort Plan Trust Civil No. 053900848*

Dear Bill:

During the hearing a couple of weeks ago regarding the proposed sale of the Berry Knoll Property you made it a point to express concerns about the way that Hildale and Colorado City police officers where discharging their duties. These comments were very troubling.

As you know several months ago you requested a meeting with the mayors and city managers of Colorado City and Hildale. At that meeting Steve Horton, the Colorado City Attorney, and I informed you that if you ever had concerns specifically about how the police officers where discharging their duties to please contact either of our offices. To my knowledge you have never taken us up on our offer. The offer still stands and in the future if you have any concerns, please contact Ken Brendel, the Colorado City Prosecutor, who can be reached at Steve's office of Mangum, Wall, Stoops & Warden, P.L.L.C., or myself.

Thank you very much for your consideration and anticipated courtesy and cooperation in moving forward.

Sincerely,
